Sir:

PETITION UNDER 37 C.F.R. § 1.183

In support of the Amendment filed October 21, 2004 in the above-identified application, a Supplemental Declaration for Reissue Patent Application to Correct "Errors" Statement (37 CFR 1.175) has been filed concurrently with this Petition. The Supplemental Declaration has been signed by one of the three inventors. It is respectfully requested that the signature requirement associated with the Supplemental Declaration be waived with respect to the non-signing inventors for the reasons discussed below.

The Supplemental Declaration filed herewith has been signed by Douglas R. Cardy. The two other inventors (Ken Rambo and Carol Waller) were previously contacted prior to the Reissue application being filed. Both Mr. Rambo and Ms. Waller

refused to sign the original Reissue Declaration. A Petition under 37 C.F.R. § 1.47(a) was subsequently filed on January 24, 2002, followed by a Request for Reconsideration of Petition under 37 C.F.R. § 1.47(a) on January 3, 2003. The Office of Petitions granted the renewed Petition filed on January 3, 2003 in Paper No. 6, mailed on January 13, 2003.

Therefore, the attached Supplemental Declaration for Reissue in support of the Amendment filed October 21, 2004 is signed by the sole cooperating inventor. Since the two other inventors have been shown to be non-cooperative (to the satisfaction of the Office of Petitions), it is respectfully requested that the signature requirement with respect to these non-cooperative inventors be waived.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 13-2491 and please credit any excess fees to such deposit account.

Respectfully submitted,

HARRITY & SNYDER, L.L.P.
